

Saiful Islam

---

You have been chosen  
for membership of

*The Rotaract Club*  
of  
**Clayton**

---

*Because this club believes you to be a responsible person of good character and possessing the attributes and principles which exemplify the spirit of Rotaract.*

*In your application for membership you signified your willingness to serve the community, to promote international understanding and to stimulate the acceptance of high ethical standards in all occupations and professions.*

*As an ambassador for Rotaract and this club, you have an obligation to so order your life that the community will be able to know and judge Rotaract by your embodiment of it in character and service.*

*Today you will meet your fellow Rotaractors. In time it is possible that many of them will be numbered amongst your closest friends. Rotaract has much to offer you, but the benefit you may gain from it will depend on how much you yourself are prepared to put into it.*
